

Colobus Monkey Habitat

Swing into the wild—our colobus have a new home!

Highly visible in the Africa section of the zoo, this immersive experience will allow guests to get nose-to-nose with curious primates through new meshing and viewing windows. Designed to promote natural behaviors, this enriching environment for black and white colobus is sure to be a fan favorite for our 360,000+ annual visitors.

Put your company's name on this exciting upgrade!

Contact our Development Director, Margie Anella, at development@potawatomizoo.org to make an impact!

This is no monkey business for your business!
